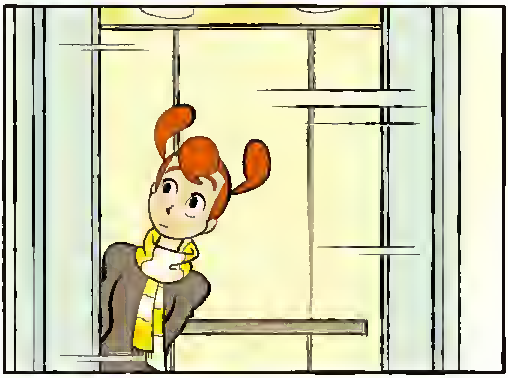
bing!!



Hi, Amy.
Oliver!
Is this your room?
Actually, the entire third floor is my room.

Wow.
How can you afford this place?
Your foster dad must have a nice job...
Dr. Kim works at the medical center up on Penn Hill.
Oh, really? What does he do there?

Prosthetics.
He builds artificial limbs for people.
Oh my gosh!
You have a fire place!

That's true.
I do have a fireplace.
Can we roast marshmallows in it?
Please?
Um...
Shouldn't we get started on your project?
We'll get to it!

Let's go find supplies to make s'mores!

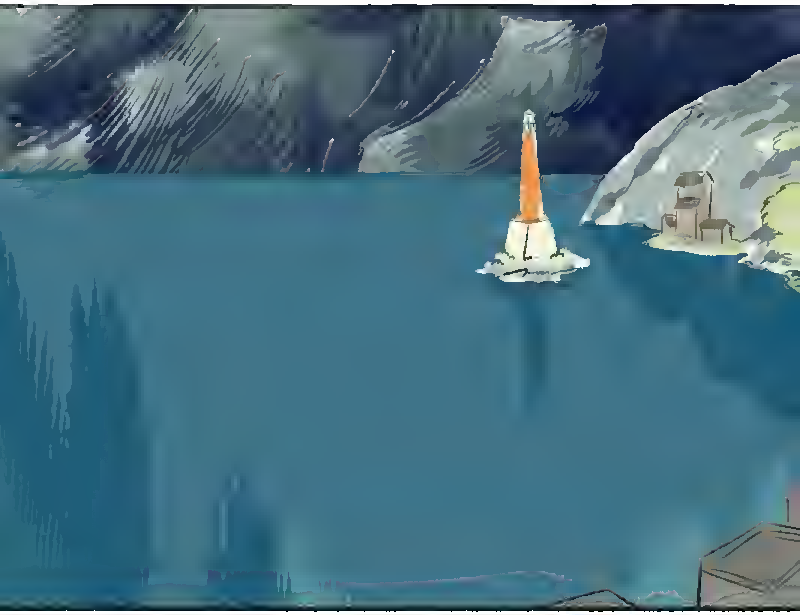
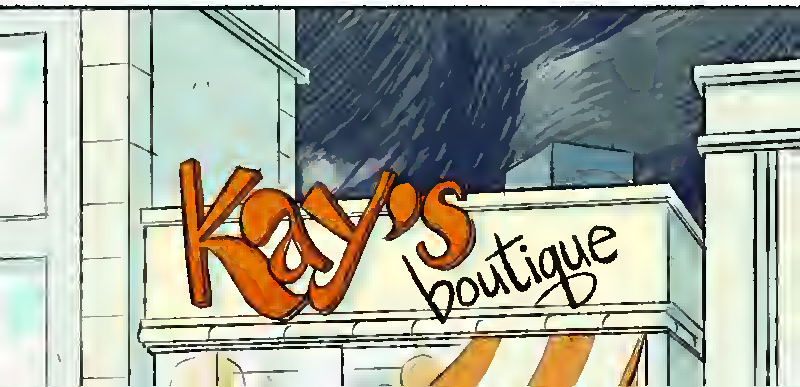
FWEET!

DAVID!
What was that?
Sorry, coach!
First you're late and now you can't seem to catch anything.
Care to explain?
I--

I've had a lot on my mind.
Is that so?
Well, why don't you hit the showers early today.
That'll give you time to think.
Coach, please...
I can do this.
Get out of here,

David.
Next practice be on time and ready to play.
Yes, sir...

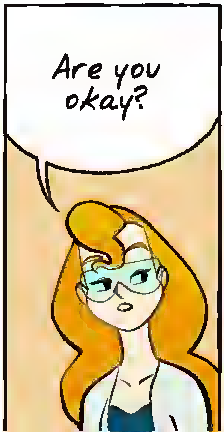




Kay's
boutique

David, which do you like better?
The red leather bag or the purple one?
The purple one's pretty nice.

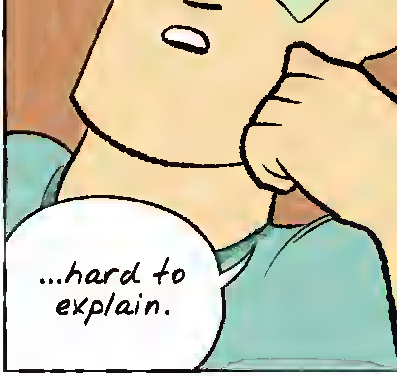
Yeah, but it doesn't so with my homecoming dress...



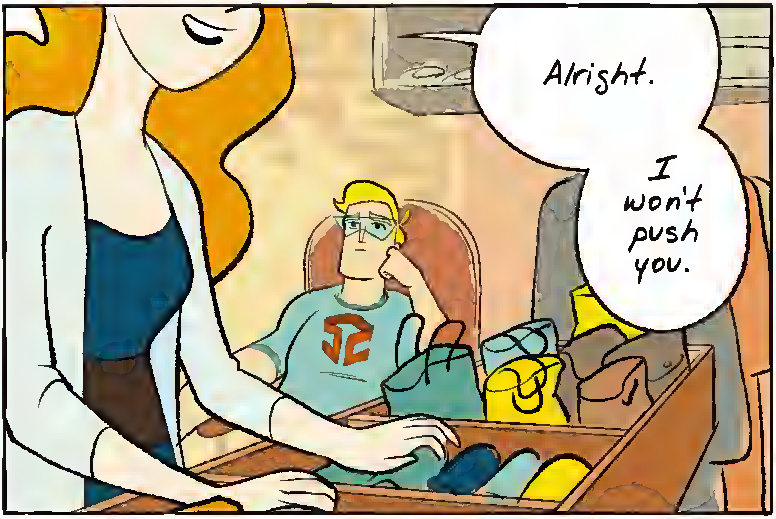
Are you okay?

I'm fine.

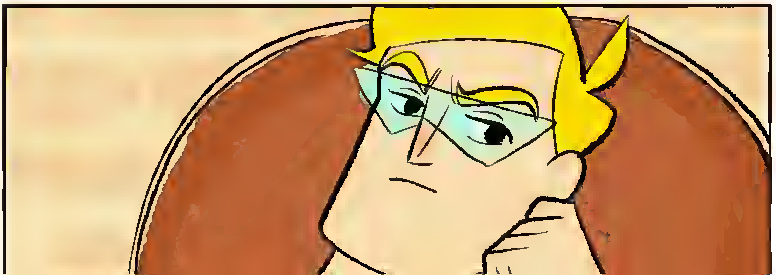
Is it stupid Coach Chamblin?
If you want I can egg his house...
No.
It's not that.
It's...



...hard to explain.



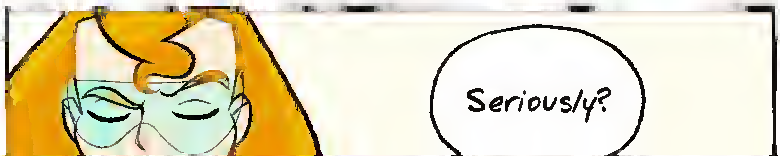
Alright.
I won't push you.



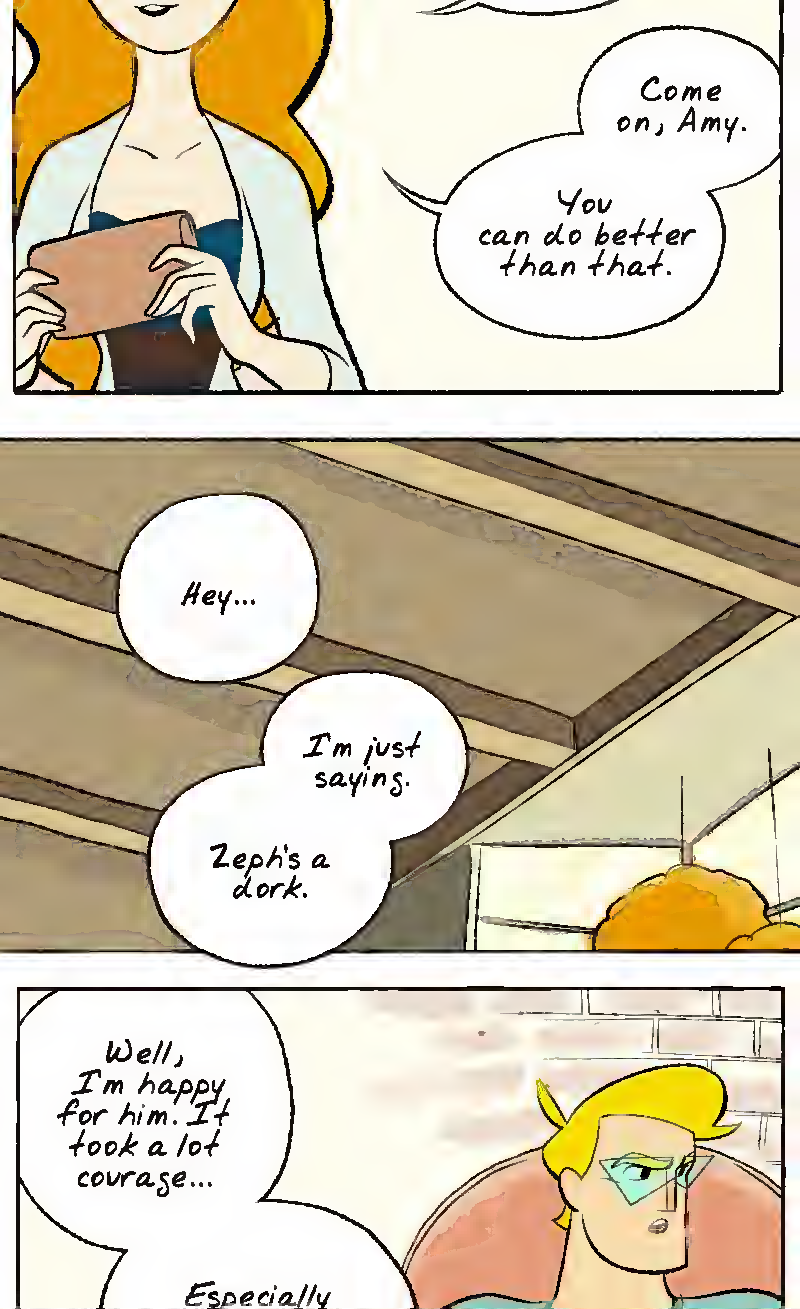
Did you know Zeph asked Amy to the dance?

Heh.
Did she let him down easy?

Actually, she said yes.

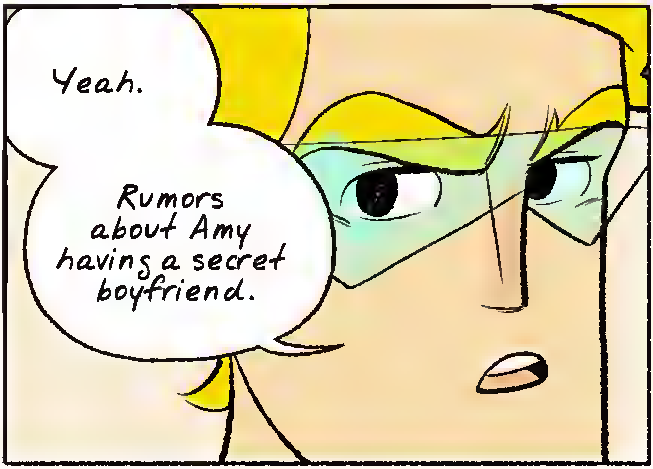


Seriously?



Come on, Amy.
You can do better than that.
Hey...
I'm just saying.
Zeph's a dork.
Well, I'm happy for him. It took a lot courage...
Especially

with all those rumors flying around.



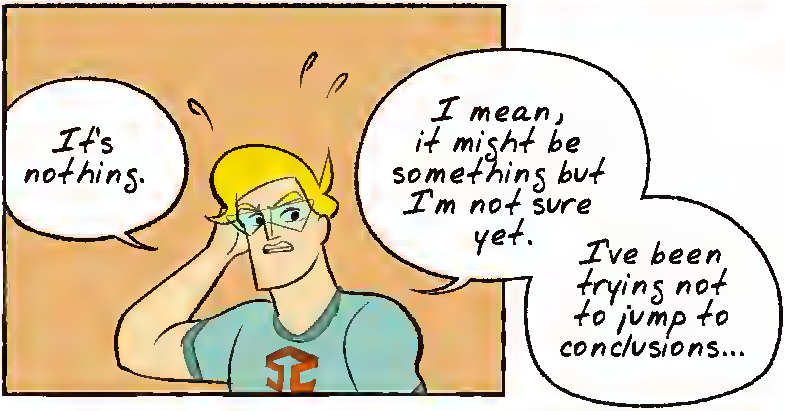
Is that what's botherins you?
Yes.
Well, why didn't you say so?
You don't have to tip toe around me like I'm soins to bite your head off.
Cassie, you said you'd keep quiet about the note.

No, I said I'd delete the photo I took of the note.
And I did.
I thought that would make you happy.
Besides, if Amy is going to homecoming with Zeph then I guess I was wrong. She obviously doesn't have a secret boyfriend--
So we're good, right?
The truth is out and no harm done.

Right.
The truth is out...
What was that?
Is there something I don't know?

What?
No...

David.
You've never been able to lie to me.
What is it?



It's nothing.
I mean, it might be something but I'm not sure yet.
I've been trying not to jump to conclusions...

"Thank you for creating Spaceboy comic. Its been a while since i last read stories that really spoke to me personally, and that i can actually relate to, you know, your different characters with different personalities, and especially that long distance friendship."

This is a beautiful piece. Thank you.

"I actvally drew Amy with a surprising look when Oliver pick her up but when I finished I realized that they look more like bride and groom."

"The fruits nuts and spices represent Jemma's family~

I drew Nothing beneath Amy, because Oliver's flavour is Nothing, for now."

Wow,

"For me Amy and Jemmah's story is super poignant and sad as I am trying to reconnect with a very special person with whom I have separated.

If you could put my art into your fanart section, I would really appreciate it as I would like to

show this special person how very much they mean to me and how I wish to reconnect with them."

Separation is really hard to deal with.
I've gone through it myself, and it gets better with time.
I'm so sorry you've had to wait so long for me to post this! I hope things work out.

You guys send me more fan art than I can post each week, so I'm really behind! If you send something, it'll probably take three months or so for me to post.
Sorry about that!

Thanks you all for the fan art!
I'm super blessed to have such awesome fans.
